

# We Need You!

\*\*\*Calling All Saddlebag Creek Owners and Residents \*\*\*

## Bridle Trail Maintenance

A distinct feature of Saddlebag Creek Ranches is the Bridle Trails we can freely use and enjoy. Like all personal property, the Bridle Trails require regular upkeep to remain useful, attractive, and safe.

In order to reduce our costs, the HOA Board Members are scheduling a neighborhood work day.

**Please do your part**, taking pride in the beautiful acreage we all call home. Let's work together to keep our property in shape, ensuring our investments maintain their highest value.

When: Saturday, October 7, 8:30-11:00 a.m.

Where: Meet at the Wiegands' driveway, 29315 Saddlebag Trail.

Start at the south end of the trail, adjacent to the Riggles' property

What: Cut and clear limbs, branches, and brush, placing them to the side for future pick-up and/or burial

Bring: Chainsaws, pole saws, UTV/ATV and trailers, work gloves, rakes

Provided: Water and Gatorade

**R.S.V.P. to let us know you plan to join us. Call/text Lance Wiegand 219-8073**

Thank you for your consideration.
